

HOW CAN YOU KNOW IF YOU ARE BLESSED?

If you own just one Bible, you are abundantly blessed. One-third of the world's population does not have one, or even have access to one. If you regularly read the Bible you own and truly attempt to live by it, you are blessed beyond all comparison.

If you woke up this morning relatively healthy, you are more blessed than at least one million people who will not live out the week.

If you have never experienced the danger of battle, the loneliness of imprisonment, the agony of torture, or the pangs of starvation, you are more blessed than at least 500 million people around the world.

If you attend a church meeting without fear of harassment, arrest, torture, or death, you are more blessed than at least 3 billion other people worldwide.

If you have food in your refrigerator, clothes on your back, a roof over your head, and a place to sleep, you are more blessed, and richer, than three quarters (75%) of the entire world's population.

If you have a little money in the bank, some in your wallet, and a little spare change in a dish or other container somewhere, you are among the top 8% of the world's population in terms of worldly wealth.

If your parents are still married and alive, you are a rarity, even in the USA. You are hugely blessed.

If you hold your head up with a smile and feel truly thankful to be alive, you are wonderfully blessed...because almost all of us CAN do this, but don't.

If you can hold someone's hand, hug someone, or even touch someone on the shoulder, you are blessed because you can offer God's comforting touch to another person.

If you prayed yesterday or today, you are among the minority who believe in God's ability and willingness to hear and answer prayer. You are extremely blessed.

If you believe in Jesus as the Savior and Son of God, you are tremendously blessed. Your understanding of love comes from giving and a joyful eternal future is awaiting you.

If you can read this little message, you are more blessed than well over 2 billion people in the world who do not know how to read anything at all.

We hope all these huge blessings you now know you have will change your perspective a little. Have a GREAT day!
